Hello I am going to be needing a ride from here to Rapid City, South Dakota or better yet the Pine Ridge Indian Reservation sometime between now and Oct 3. I don't mind helping you pay for gas at all. I wanna do some volunteer work up there and I need a ride because I don't currently have a car. I can help you pay for gas. If you're planning on going to South Dakota from now until Oct 3 please contact me. After all you can save lots of money by letting me tag along.

If you think you can help me send an email for further.
