Hi!!

I am a mother of a 16 month old girl and I am looking to nanny one or two more children, preferably in the age range of 1-3yrs old. I can do this in my home, located in northern Durham, or in yours! I enjoy very much working with young children and have earned my Early Childhood Credentials from the state of North Carolina. I am CPR certified, have received first-aid training, and have received Sudden Infant Death Syndrome (SIDS) Training.

I would treat your child with as much love and gentleness as I do my own.

\*\*\*Two things I place high priority on are the health and safety of children, as well as my own cleanliness when care-giving. Mental stimulation is also very important for young minds and I have a routine that I can use, that can be altered to your liking. I also have my own transportation (and a clean driving record) and would gladly be willing to take the children to the library, on walks, to the park, etc. I am also willing to clean dishes, toys, and do the laundry while the children are napping.

\*Having a nanny with a child of their own would be in many ways a plus for a parent because it allows your child to have a social connection at an early age; without the exposure to germs as one would find in a childcare center.

If you have an interest please respond to the email provided by craigslist. Price is \$225/wk, but can be negotiated. Current background check available. References available upon request. I am available for employers and nannies. Please contact me from your email.
