Editor

- Well educated in style, rules of grammar, sentence structure.
- Lifelong writer with love for the craft.
- I offer substantive and basic copy editing, as well as guidance on the overall scope and form, if helpful.
- If you're writing a book in your spare time for example, this could be an ideal situation for you.
- Try me for free. I will edit two pages of your choosing, email you back to discuss the changes I've made; or we can phone conference if you like.
- If you like me, we can go from there. I will help you do your best work, and give you lots of room for it.
- Email, check me out, no cost to you.
- Lastly, you should know I have excellent people and communication skills. You will find me kind, supportive, and easy to work with. This counts for a lot in the process.
- Feel free to send an email. Thank.
