My name is Jason and I'm an experienced live and studio singer.

I teach lessons via Skype, as well as in person and I'm interested in getting more clients.

I'm a professional singer/songwriter, and have toured the country dozens of times with my band. I have also appeared on many other artists' recordings providing lead/backup vocals.

Lessons will vary based on your level of experience, and what you're looking to get out of them. Contact me, and we can discuss what you'd like to learn.

Here are some examples of my singing:

My cover of Nirvana's song "Something In The Way": <http://youtu.be/mCQWQunKop4>
