My friend lost his wallet today 7/11/15 at Albertson's on Fairview and Meridian today. It was a black bi-fold wallet, and had everything he needs inside. He worked very hard for what he has, and is now unable to pay his bills or buy groceries for his kid. PLEASE contact me if you have any info.. I will find some way to repay you. Please do the right thing and help my friend. The ID in the wallet is for Chris. This is a very desperate situation. Thank.
