

Looking for a ride to Reno in early August

Location

Idaho

<https://www.genclassifieds.com/x-564145-z>

College kid working in Stanley for the summer, looking to ride with someone to Reno in early August. I have a ride down to Caldwell, or anywhere else really. Classes start August 24th, so the first couple weeks of August are ideal. I can pitch in for gas, and I can fit all my stuff into one seat. Call/text/e-mail me about your plans if you're interested in taking me..
