(UPDATE GEORGE IS IN OR AROUND GREENLEAF, CONFIRMED) (Will Pay \$100 in silver dollars for return, three peace silver dollars, early 1920s, and I will throw in some cash if it's not worth that much) Looking for George. Still looking for George. Has been spotted numerous times in the Greenleaf area, including having spent an afternoon with someone on Tucker rd. He's somewhere west of Caldwell. All I know is that he was trapped 50 feet from my home on 414 Joliet st on March 20th and abandoned on Simplot road, and I found out the location on April 19, and found out he was spotted on Pinto road 10 times during that month, and he spent the day on trucker road with a man named Justin, and was not spotted again until May 23 when he showed up in the yard of the "A" framed house on Antrim rd in Greenleaf. He hasn't been seen since. He's out there and I don't intend to stop looking. THESE ARE ALL OF THE VIDEO WITH GEORGE THAT I'VE PUT ON YOUTUBE / 3 VIDEOS
