(UPDATE GEORGE IS IN OR AROUND GREENLEAF, CONFIRMED) George was trapped and dumped on March 20th. King George was a very friendly to say the least. You could stick your face against his for half an hour and he would not bite, only purr. Regardless, George is the cat most likely to have survived because he is young, strong, and very people friendly or was. CALL ANY TIME OF THE DAY IF YOU FIND HIM. If he's alive, if he's out there, we want him back. 949-4123 Call at any hour. VIDEO OF GEORGE, March 16th, 4 Days before he was trapped and displaced.
