I have a 1996 Suger Sand, Mirage Jet boat for sale. #1 Cylinder has a stuck valve. It's a 4 cylinder inboard. Seats will need to be reupholstered. It's a 5 seater. With a little tlc it could be a nice boat again! It's 10' 6" long. Has a Shorelandr Trailer in good shape. I just don't have the time to put into it. I'm asking \$1000. So please no low ball's. And don't wast my time! Pete
