Create fun place settings for young ones at your wedding. Below are items I used for my Alice in Wonderland Inspired Wedding set in the woods.

16 - Black Satin Bow Ties - \$20

Originally \$ 3.99 each from Meritline. Selling all 16 for \$20 plus the cost of shipping. These are black satin bow ties. I used them to decorate the napkins and kids' gifts at my Alice in Wonderland inspired wedding. They also doubled as the favor for the men.

7 - Mushroom Pencil Sharpeners/Erasers - \$5

Originally \$9.99 for a set of 12 from ForTeachersOnly.com. Selling the remaining 7 for \$5.

8 - Foam Puzzles - \$5

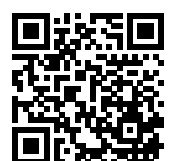

Originally from ForTeacherOnly.com. Selling the remaining 8 for \$5. These are still in their original packaging.

6 - Alice in Wonderland books - \$5

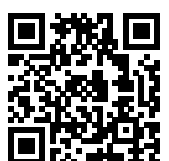

21 Little Golden Books
 In front of each table I placed a \$5.00 gift bag. Each gift bag contained 2 Little Golden Books, a magnifying glass, a branch pencil sharpener, and a book. I created "gift bags" for the children at my wedding and gave them a different book
