

need someone to put in motor (Hillsboro)

Location **Missouri**
<https://www.genclassifieds.com/x-564242-z>

I need someone to come put in the engine and tranny I pulled from my dakota for another Dakota of mine it's a 4.7 4x4, I bought a running and driving parts truck and pulled the motor and tranny and have a few bolts holding in the blown one and then I need it put it if it makes that buck price difference I'll finish pulling the blown one just ran out of time want it done by next weekend let me know how much I've only asked one person and they said 400 and I don't want to spend that much... If interested text or call
