Work (St. Louis; South County;St. Peters)

Hi! My name is Manuel, I have 15 years in construction of homes. I specialize in drywall finishing/repairs and do excellent painting at great and affordable rates. I have a lot of people you can call and ask about my work and a lot of pictures for you to look at. I also have other union/non-union excellent workers that are available to help me if your job is large. We do everything from one room to whole house/apt renovation. We charge by the hour at \$15. You buy buy the paint and there is a small charge for the brushes,naps, ect. This will save you money. If you don't like us we can stop at anytime, but I guarantee you will be thrilled! Manuel Please leave a voicemail if I'm too busy to answer the phone. I check my messages regularly
