## 1968 Gretsch 6124 Anniversary with original Bigsby and case. (1049 USD)

I recently go this 1068 Gretsch Anniversary as part of a trade. ?I made the mistake of plugging it in and growing emotionally attached to it before posting it, but I have to sell it.

This seems to be 100% complete with all of it's original parts, except for what looks like one screw on the pickup ring that is a replacement (and the piece missing from the pickguard, of course).

The binding is deteriorating and there are some finish cracks around the neck heel (neck joint is very solid, so it may have been reset in the past, causing the finish seams). ?There is a light rise in the board nearest the body, but it still sets up within spec. ?No playability issues.

That said, it plays great and sounds amazing. ?The truss rod is free moving and works as it should, and the frets are original and there's still a lot of life left in.
