Excellent condition 2007 Yamaha R6. The bike roughly has 10,500 miles on it. It has been in a heated garage and has been well taken care of. It's had its spring tune up and oil change every season. Bike has brand new Michelin Pilot Power tires, rear fender eliminator kit, flush mount blinkers, tank protector, frame sliders, a tinted tail light, and comes with a rear stand. This is a very clean and a very sharp bike. Title is in hand. I'd hate to sell it but I just don't have time to ride it anymore. I'm asking \$6,500.00 OBO. No low.
