

# female tortoiseshell and calico kitten (rindgewinchendon)

Location **New Hampshire**  
<https://www.genclassifieds.com/x-564368-z>

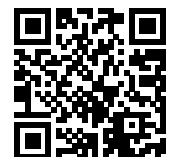

Two pretty tortoiseshell female kittens 8 weeks old. One is black/gray/cream and one is orange/black/white more calico. They are friendly, playful, gentle and easy going. They can be adopted separate or together. They have their first distemper shot and have flea and tick prevention and have been dewormed. Use the litter box and eat cat food and drink water. Rehome fee .
