Please help us find our beloved mini-poodle, Kira. She is white and only 14lbs. She ran off into the dense woods in Bristol NH in the Hall Road are after being frightened by the UPS guy. She has been out there for 5 nights since Tuesday 6/23 so she might be further towards Dick Brown Road, Newfound Lake or even River Road towards Plymouth by now.

She lost her collar but she is microchipped.

She is extremely frightened so we are asking for people not to approach her. If sighted please email at or call We need human eyes to find her!

We are offering a reward for anyone who provides a positive sighting.
