Baby Swing (100 USD)

Location **Nebraska** https://www.genclassifieds.com/x-564389-z

Fisher Price baby swing. Barely used, new baby didn't really care for it so has been in storage for a few months. Time to clear it out. Plug in or runs on batteries. Has multiple music and sounds with a mirror overhead for the baby to look into. Mobile rotates and the hanging critters move up and down. Has a tray that clicks in place that has some toys to play with. Back adjusts to two different levels. Is soft and comfortable. Will swing side to side or back and forth.

Will throw in a barely used Boppy pillow with cover. Ended up having to bottle feed new kiddo.

\$100 for both or \$90 for the swing and \$25 for the pillow. Would consider offers.

No low ball offers and I DO NOT need help selling.
