Investor special. Fixer upper. Livable while you do the work. 1700 sq ft modular home on a fenced acre. 3 bedroom with a large den that we use as a fourth bedroom. 2 full baths. Living room, family room, dining room, kitchen and laundry room. Good roof, septic just pumped last month. It does need some TLC. There are a couple of windows that need to be replaced. It needs new floor coverings. Could use a paint job.
