I live in a beautiful two bedroom apartment and am looking for a roommate to share the apartment. \$500/month is your share for rent. Also, utilities/cable would be shared equally. One bedroom is available. Super nice house. Very nice area. Minutes from highway. Includes laundry room, parking for two tenant cars.. No pets/No smoking. Shared bath. Must be clean, responsible and respectful. I am in my late 20's and am looking for someone around the same age or older. I'm a very mellow person. Security deposit of \$500. Need to find a roommate as soon as possible.!
