I'm looking for new female models. Your age(18 plus), size etc is not as important to me as your work with the camera and sense of adventure! Shoots cover adult content but are guaranteed to stay private and are not for publication. Pay varies dependent on shoot and your experience.

Please respond with brief description of yourself, any experience and if you can include a picture that shows you can work a camera all the better!

I will get back to you as soon as I can. This is a very serious.
