1st, I am in North Chelmsford Mass, 20 minutes south of Nashua. I am a very good photographer with good gear. I am looking for an outgoing personality. I delve into nude, erotica, bondage and glamour portrait. I pay well. You must drive to me in North Chelmsford. My only hours at this time are 4:30-6:30 mon-wed. I really enjoy shooting a good model. Someone with that sexyness that comes through a smile. This is for fun but I do get great results. The photos are yours and mine. I do not distribute or share. Please put "NH MODEL" in the Subject line and provide a picture please. Thanks. Oh, the photo's shown really is my.
