I received 99th percentile scores on the GRE, SAT, and LSAT and have been tutoring these exams for over ten years, both independently and through several well known companies.

My academic background includes:

B.A., English, Haverford College, Haverford, PA
 M.A., English Language & Literature, Cornell University, Ithaca, NY
 Ph.D., English Language & Literature, Cornell University, Ithaca, NY

My test scores have been:

SAT - M:750 V:750 (99th percentile)
 GRE General - Quantitative:800 Analytical :800 Verbal:740 (99th percentile)
 LSAT - 179 (99.9th percentile)

My tutoring experience includes:

Worked part-time for Kaplan from 2001-2011 at centers in Ithaca, NY; Albany, NY; New York, NY; Washington, DC; and Lincoln, NE.

Tutored and taught LSAT, GRE, GMAT, and SAT privately and through a small company called MyGuru for the past several years. I have worked with hundreds of students for thousands of hours on everything and have a track record of positive results and general feedback on the effectiveness.

I am happy to help you develop a customized study plan, explain the most difficult concepts, answer questions, and be a mentor to help you succeed. Depending on the situation, I'd charge ~\$65 to \$80 per hour.

I also work with a small team of independently contracted tutors through a boutique tutoring company called MyGuru, so if I'm not personally available given your location and situation, someone on my team can.
