

Nude performance

Location **New York**
<https://www.genclassifieds.com/x-564646-z>

I want to make performance like the famous performance of Marina Abramovich.
I will be nude in front of public, anybody can look, take pictures and even touch any part of my body. I will obey also your orders.
I would like to do this at some public place like a museum, club, park, square but can perform also for some group at home, office, club, private party as well.
Anybody.
