

Creative and open

Location **New York**
<https://www.genclassifieds.com/x-564648-z>

I would like to be a live nude model for drawing, painting, sculpture, photo. I have big experience of modeling of any kind for art classes. I am creative and open-minded person who like to pose for art and do this with enthusiasm. I am available almost every day and my rates are most reasonable. Men, female, any groups, professionals and beginners are.
