Gogo Boys - Work Weekends - Base Hourly + Tips

Guys! Have a hot/inshape body? Confident in your looks? Are you a head-turner when you walk the streets? Need to make some cash while going to school and can't commit to a "regular" job?

Come dance for our exclusive club - Club Endeavor in the Las Vegas area!

We are a "Member's Only" type of club catering to Vegas's most discerning gentlemen and women. This club is NOT open to the general public.

In addition to a generous base hourly rate (guaranteed pay) - you are also able to keep 100% of your tips earned. Club Members are expected to observe a "minimum tipping policy of at least \$5.00", so you already have that to your advantage!

Club Endeavor has a strict "look but don't touch" policy so your safety and health is never at risk. The Club meets every Saturday night and dancers can opt to work all nights or flex as needed. For the summer months, we prefer dancers who are able to commit to at least two Saturdays per month.

Important : Dancer attire is strictly a jockstrap - bare bottom. While you are permitted to be creative in terms of jockstrap color/designs - you need to be comfortable wearing only a jock during your shift.

As you can imagine, a jockstrap leaves very little to the imagination, as such, prospective dancers should be comfortable exposing their body in a club setting. We prefer dancers who are slim/toned/average (run of the mill) build, or have a muscular build. Nothing extremely wasteful or obscene acceptable as it is not the theme or goal of the club. You must be able to dance, which should be a given.

We will be filling recently vacant dancer spots who are able to leave due to both guys getting their BA degrees and moving to attend graduate school.
