Housekeeper or Assistant wanted for live-in job!

I have a small private practice that deals with the music and television business.

Being overwhelmed with projects and small health issues is why I require a live-in person.

Your duties will be to cook, clean and run the house.

I need someone to perform basic housekeeping and light office duties.

You will have your own private bedroom and your own private bathroom.

What are the responsibilities?

- 1. Making sure that things run smoothly.
- 2. Running the day to day activities of the house.
- 3. Normal cleaning of the house.
- 4. She will be involved with office work.
- 5. Basic cooking.

She must be a non-smoker, drug free and drama free.
