Red nose pitbull, tiger stripes, not neutered , great with kids and other dogs, doesn't like cats, up to date with his shots, loves company, potty trained. We took him on to get him away from his abusive home. We cannot have him in our home landlord rules. Looking to get him a good home, where he will be loved and taken care of . Asking for a refining fee of \$100-\$150 , to ensure that he is wanted . Please let me know if you will love him and care for him !!!
