Why go to GeekSquad or Office Max for expensive computer repair? No one should have to pay $200 plus for simple computer repair. With me you are given a real honest computer repair service in terms you will understand. I am a student attending Wake Technical Community College with a background in IT and a firm believer that no one should pay a great deal of money for computer repair.

Services Include:

Virus Removal
Data backup and recovery
Internet connection issues
Hardware installation and replacement
Equipment setup
Microsoft Outlook issues
Home network installation
Computer builds
Computer upgrades
File transfer
And many more

All repairs cost only $50 per computer (Excluding hardware/software). That means any problem with your computer will only cost $50 with only a $20 pickup and delivery/ house calls. Available 24/7 and ready on call for your computer needs.

If the problem cannot be fixed you don't get charged
