It is my goal no matter what age,to create a warm, loving, stable, educationally based environment daily. I am very reliable,responsible and follow old school morals and values.

I interact daily with my parents of how their child's day went. I have open communication through out the day with some parents. I am very flexible and understanding to the needs of different families and their children.

On a daily basis I provide:

Age appropriate activities and crafts

Review of shapes and colors

Flash cards

Review of sight words

Learning to count 1-10 (encourage higher)

Encouraging toddler music during free play

Reading to the children

\*Special attention teaching the children fundamentals for kindergarten

Very inviting, warm, loving atmosphere
