It is my goal no matter what age, to create a warm, loving, stable, educationally based environment daily. I am very reliable, responsible and follow old school morals and values.

I interact daily with my parents of how their child's day went. I have open communication through out the day with some parents. I am very flexible and understanding to the needs of different families and their children.

On a daily basis I provide:

- Age appropriate activities and crafts
- Review of shapes and colors
- Flash cards
- Review of sight words
- Learning to count 1-10 (encourage higher)
- Encouraging toddler music during free play
- Reading to the children

*Special attention teaching the children fundamentals for kindergarten

Very inviting, warm, loving atmosphere
