

GREAT INVESTMENT OPPORTUNITY (60,000 USD)

Location

Oklahoma

<https://www.genclassifieds.com/x-564767-z>

A national company expanding in the local market with an opportunity for the investor to capture territory and weekly income. We provide full training and have a daily stake in your success. Our program has a proven track record with a product that has exclusive rights to a protected territory. An average office will generate \$3000-10,000 a month profit to the investor. The investor will also receive weekly status reports as well as weekly dividends. There are no slow seasons along with a proven formula, which offers the investor minimal exposure and no loss of investments. Our staff and infrastructure will assist the office for the first 3 years to guarantee success and profit for the investor. We will discuss the opportunity further with interested qualified investors. Please provide us your name and contact information and we will forward you more information on this exciting! !!
