The late payments, although not the fault of the consumer ultimately end up as a derogatory item on their credit reports. Late payments cause increased interest rates. Recognize your rights as a consumer and learn how to barricade the credit card companies from profiting on your misfortunes.

We do not make excuses for creditors or collectors that take advantage of Credit Users. We stand up for the rights of our clients, while educating them in ways to bar similar circumstances in the future and enabling them to gain control of their financial.
