

## FLUTE amp BEGINNER PIANO LESSONS OFFERED NOW (Moorhead)

Location **North Dakota**  
<https://www.genclassifieds.com/x-564856-z>

Hello, My name is John Bell and I am a recent graduate of Concordia College in Moorhead, MN with a Bachelor's of Music Degree. I have been the principal flute player of the Concordia Orchestra for the past three years.

I now work for Concordia College and I would like to offer flute lessons (beginner to advanced) and beginning piano lessons.

I am willing to work with any age group and any experience level (even if you've never read music before).

The lessons would be taught at Concordia College's music building in a practice room. There is a very nice lobby for parents/guardians to wait in while the lesson is happening.

Lesson fees are as follows:

FLUTE  
\$20 - half hour lesson/week  
\$35 - hour lesson/week

# BEGINNER PIANO

\$15 - half hour lesson/week  
\$25 - 1 hour lesson/week

Typically teach in the evenings but may be doing teaching on the weekends and/or in the day.

I offer options for discounts if lessons are bought larger volumes. (Email for more details).

I am accepting students now!

To contact, either use the email listed or call/text me at 6-one-2-eight-0-4-8-two-six
