I am looking for some one to take over my bedroom because I have decided to live on campus. The bedroom comes furnished with a queen sized bed and a desk along with dressers. The one year lease starts on August 15th. You will be paying \$650 a month (per person). This includes internet and cable and you don't have to pay a deposit because I already have.

Beechwood Village is Fayetteville's newest apartment complex. Amenities include a full kitchen with granite countertops and stainless steel dishwasher/disposal, full refrigerator, and an oven/stove. The apartment includes an in unit washer and dryer and walk-in closets in each room. Every living room also has a 50 in fat screen TV.

Beechwood also offers a great clubhouse with an 8000 sq. ft fitness center, study areas, and a huge pool.

Beechwood is super close to campus and is located right by MLK Blvd. and is connected to the Razorback.
