I am almost 16, and working to get a car. Experienced at babysitting, as I have a 5 year old sister and have been taking care of her since she was an infant.
I charge by the hour.

Able to work with 0mo thru - 10 yers old

I prefer to work at the persons house, but I can work at mine as well. (I have animals thats why i prefer the clients house, my puppy is rambunctious)
