I bought a lot of scrapbooking supplies a few years ago thinking I would have the time to start a new hobby. However, the supplies are in a box still in the original package, never been used.
 I am offering the following for sale

Creative memories cutting system

- Cutting mat
- Cutting blades (3 original)
- Circle patterns
- Oval patterns
- Celestial patterns
- 12" cutting patterns
- Gemstone patterns

All this merchandise retails for over \$200. Price is firm. I will sell them as a package.
