Hello I am needing someone for hair and make up for my wedding for myself my mother and my 2 sister's. My wedding is September 12th and its an evening wedding. We are looking for someone to come to my house and get us ready around 5pm on September 12. I am attaching some ideas of what we are looking for we are on a budget and are hoping to find asomeone to help us out. Also a group of 2 would be great each girl would have 2 clients. The bride (has long blond hair) the mother has meadium hair and the 2 bridesmaid sister's have short hair 1 to chin and the other is very short (most likely won't need hair done) I know this is very detailed and long I am just at my last resort and hope I can find someone.
