Updated!

I only have the female left!

I have 2 sheeba Inu dog needing homes. One male and one female. They aren't really a bonded pair but get along okay. Can be separated. Bandit the male is not fixed and doesn't like a lot of other dogs. Rain the female is fixed and loves everyone. I'm asking a fee for each or both. They do have papers I just have to find them. Only serious homes only. Must have fence! These dogs like to run and can get out of unsecured fences. And boy do Shiba emus run!! Asking a fee of \$300

Really would like them in home this weekend. Please a good contact number to reach you!
