This is our family dog. The only reason we are letting him go is because there is a big dog next door and I am afraid he is going to get hurt by him. He will be 1 year old in September. He is super sweet. He is housetrained, kennel trained and knows several commands, sit, lie down, stay, and come. He has not been fixed. He is up to date on all shots and has been treated for fleas and ticks 2 weeks ago. He will be a great addition to any family. He is good with kids (but my two year old freaks him out sometimes). He loves car rides and cuddling. We want him to have a great home. Asking.
