

## Guitar player seeks female singeror guitarist (portland)

Location **Oregon** https://www.genclassifieds.com/x-565008-z

I would like to meet a woman (open age, race, status, ) who I could play music with, likes to sing/play copy songs, & may even have original song ideas to try out. Types of music I like are pop, rock, little countrish, folk, and progressive styles. I'm currently exploring musical directions to eventually go in, and I thought it would be cool to meet a person who loves singing and playing music like I do, and see what happens.

If you're interested in a meetup, send name and contact info.
