This one hard working machine! I am one efficient hard working operator! Around the home/farm/ranch is my specialty. Tight areas is what I do. Little jobs are no problem. I have a one hour minimum. My size is 50" wide , I can fit through many backyard gates. Removing stumps, french drains, leveling for concrete (or at an angle), removing old grass and rough yards, remove grass at the roots for new seed or sod, sprinklers, spreading gravel or up to 600 pound boulders, Reducing problem areas of mud, removing shrubs or planting too, retaining walls, rock or block, spreading gravel or wood chips. . . Your imagination is the limit, lets talk.

\$50/hour with a minimum \$50 trip charge (this is an added one time per project for fuel, loading/unloading, travel).

U will find this is the best price around.
