This condo is located in a unique area next to 1.5 miles of undeveloped beach, so no crowded beaches. For other information please go to www.atlanticresortgroup.com. Click on Rentals, Ocean Walk and then unit #22. The rent would be \$1597.00 for any week in July. Shorter stays are possible.

With 2000 sq ft of living space, this is a great condo for extended families or two family groups. There is a shared pool outside the back door and it is a short drive or 5 minute walk to the beach. We have been going to Myrtle Beach for over 20 years and have always stayed in this complex, Land's End. Besides the golf and beach, there are plenty of restaurants and activities for families.

Check out the website. If you decide to rent or need more information call the rental office at Mention this posting and that you are interested in unit #22 in order to get the discount. Any issues or questions feel free to contact us by email, as we are the owners.

We know that you will enjoy it there.
