WHAT IS MCA?

WHAT DOES MY \$40 GO TO?

Your \$40 pays for 2 months of your membership (first and last months), so that you can have access to the benefits and services mentioned above. You're going to receive a card and your benefits package in the by the following week. Your money isn't going towards someone's commission, it's going towards your membership and benefits to use at any given time when you need them.

BESIDES THE BENEFITS, WHAT ELSE DOES MCA HAVE TO OFFER?

Once you pay your \$39.90 and become a member, you can also click the link to become an Associate. This is how you get paid. For every person you get to sign up and pay 39.90, you receive a \$80 Commission!. Let's do some math here: say you get 3 people to sign up in a week, that's 3 people x \$80 = a \$240 check you will get the next week. What if you could get 1 person to sign up each day for a week? That's 1 person x 5 days = 5 people x \$80 = that's a \$400 check you will get the next week. That's not all though. For every person you sign up, once they sign up someone themselves, you will get \$25. So even when you haven't signed anyone up, you can still get paid from your previous referrals. And did I forget to say, you receive a check every week Direct Deposit (MUST HAVE BANK ACCOUNT NO PREPAID CARDS), So you will make your \$39.90 back after one person signs up.

I HAVE A JOB AND/OR AM IN SCHOOL, WHEN CAN I DO THIS?

You can do this from anywhere. If you have a job, at work. If you are in college, at school. The best is when you are at home. You can work P/T or F/T, set your own hours and how you work. You can promote via Facebook, Instagram, Twitter, or any other social media.
