Note: Craigslist is patrolled by a group of VERY self righteous souls who seem to think that their #1 priority is to protect you from you. If they don't like it, you don't get to see it. They'll have this flagged and removed in a couple hours. I'll have it back up. I'm looking for models, they assume something else.

Amateur photographer looking for female models to pose for me and help expand my portfolio. Pictures would range from casual to artistic nude depending on models comfort level of comfort. Pay is possible, but if you're up to doing it in trade for photos then you are super cool. You won't be making \$300 dollars an hour or anything. If you agree please make sure you are comfortable in your own skin... i have had models wait until the last second and then decide that they weren't comfortable in front of a camera... nothing like a wasted day! Also, make sure it's ok with your significant other... that would be good! I AM LOCATED IN THURSTON COUNTY! I have a model mayhem page with examples of my pics if you're interested. Let me know. Thanks for reading and keep on keeping on.
