I am 46 yrs. old with a 14 yr. old son, and I am seeking a live in position and small salary in exchange for cleaning, cooking, laundry or child care or even domestic help. I am a friendly, trust worthy individual who cares about life and the way its lived. I dont need anything more then a 1 bedroom to start out with until I am on my feet, or it can be a permanent live in position. I can pass a drug and background check. So please write me with any questions you may have. I am looking to stay in the Idaho Falls area, but will relocate if need be, oh and I dont smoke, and I dont drink and I have no pets.
Thank you for your time.

AGAIN I AM LOOKING FOR A LIVE IN POSITION AND I DO HAVE A 14 YR. OLD SON.
