Hello,

My name is Bruce but everyone calls me ecoay. I have been a web developer for going on 14 years and currently Run C:\BITT\ a web development firm in southern California. I have clients throughout California and Hawaii. My family and I are moving to Wyoming in February 2015 after we finish out our current lease.

I am trying to establish a small client base in Wyoming before moving. I can communicate via phone, skype, and email. You can find my resume on LinkedIn and google ecoay to find out anything you need to know.
