Location **Wisconsin**
https://www.genclassifieds.com/x-565229-z

 SUPER COBRA AH-1W U S Marines MRC #BA-100
AND
BLACK HAWK UH-60L U S Army MRC Academy #2192

TWO Military Helicopter kits. NON motorized. Original 1/35 scale release plastic assembly model kits.
Decal and all parts with full weaponry still on sprue trees and in factory sealed bags. Instructions mint un-used. Nothing started.

TWO COMPLETE MRC KITS included here.
Every part and feature still included.

....two for the one price noted....
NO figures included.

I NOW have information regarding converting one of these Super Cobra AH-1W + helos into a new Super Cobra 'VIPER' AH-1Z super-gunships. When you buy this combo [I ONLY have one Super Cobra AH-1T + kits] you will receive this data.
 Thanks for looking.
