Learn Pro Photography and Photoshop (downtown columbia)

Location   **South Carolina**
https://www.genclassifieds.com/x-565338-z

 I have taught people how to use a professional camera and make a living out of it.
If you have a passion for capturing portraits and images, then send me an inquiry.

Tell me about yourself and what you want to know. Photoshop lessons are also available.
You can learn by accompanying me to or if you have a friend that you want to shoot. I can give you hands on experience of different aspects of photography and rules of thumb.

Email me a with contact and a few pics (so I know who I am talking to) and your.
