Please do not use 'Rite On Time' Moving Company. It's one man who is ill and can never get his buddies to show up and help him move. 2 days in a row he swore on his own children that he would move me. I even asked him if I should just find someone else he said no. He didn't even call me he text me to tell me he couldn't come. He's in his 50s and not dependable. Now I have to pay a fee for not moving out on.
