

# Handmade and Hand Stitched Quilt (125 USD)

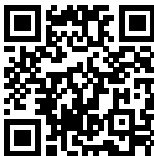

Location **Vermont**  
<https://www.genclassifieds.com/x-565434-z>

This is an old handmade quilt. It is all hand stitched except for the backing which is machined stitched around the edges. I believe it is a spool pattern. It measures approximately 70 inches by 102 inches. It is hand tied. It needs to be cleaned. As shown in the pictures there is a stain or fading on the back where it was folded.
